- **Second largest table games progressive jackpot paid out**
- **Largest individual table games payout**

(Wayland, Mich.) – One lucky Gun Lake Casino table games player had much to celebrate early Wednesday morning. Thanks to this historical win, the guest is going home with pockets full of cash.

The winning local guest, who wishes to remain anonymous, had an exact match while playing blackjack with Ace King versus Ace King and both suited spades. This lucky hand resulted in a \$288,443.30 progressive jackpot payout.

“At Gun Lake Casino, we are committed to providing an unsurpassed entertainment experience for our guests,” commented Jose Flores, vice president and general manager for Gun Lake Casino. “During the month of March, we host Golden Ticket, one of our biggest promotions of the year. This historical jackpot win just adds to the excitement already generating around the casino right now. We are proud to celebrate this life changing moment with our guest.”

The \$288,443.30 progressive jackpot is the second largest table games progressive jackpot won at Gun Lake Casino and the largest amount paid to one individual without being split among other players. The winning guest placed an optional side wager on our Blackjack Match progressive game, a game that provides multiple levels of payouts. In this case, the lucky guest had an exact match of cards and suites resulting in both the player and dealer hitting a blackjack.

Once a guest wins the jackpot, it will start over with funds already contributed from a reserve jackpot. The new amount is currently over \$50,000.
