Gun Lake Casino lifts mask mandate, effective immediately

(Wayland, Mich.) – Following the updated COVID-19 numbers from the Michigan Department of Health & Human Services, Gun Lake Casino is lifting its mask mandate, effective immediately. As of February 19, Allegan County saw just a 31.2 daily new cases per 100,000, down from 182 daily new cases at the start of January.

“Health and safety of our Guests and Team Members is our number one priority,” said Gun Lake Casino President/COO, Sal Semola. “The new science and data released from our local and state health departments have been extremely encouraging. Due to that data, we feel that now is the right time to make this decision. Masks will remain highly recommended for our Guests and Team Members.”

Gun Lake Casino has continually updated the ‘Play It Safe’ initiative which was implemented during the onset of the COVID-19 pandemic. On December 8, restaurant capacity decreased to 70-percent and drinking and eating was prohibited at all table games.

Effective immediately, dining capacity will be back to 100-percent and Guests will be allowed to drink and eat at table games.
