Gun Lake Casino's Outstanding Team Members

Recognized with "Top Gun" Awards

quarterly awards program given to hourly and salaried Team Members

(Wayland, Mich.) – Today, Gun Lake Casino announced it has further recognized Team Members who have distinguished themselves to casino guests and their peers with "Top Gun" awards. The Top Gun awards started ten years ago and are given to only four Team Members per quarter. Winners are nominated by their peers and receive money and exclusive parking privileges. This further recognition awarded over 130 active Team Members who have previously won this award, with cinema tickets to see the motion picture "Top Gun".

Since its inception in 2012, the program has recognized nearly 400 Team Members with individual awards. The award is granted to both salaried and hourly Team Members who have displayed outstanding performance in guest service, and an exceptional ability to work with their peers. Top Gun awardees are those who go above and beyond; both within the organization and with casino guests.

"The executive team, as well as the Gun Lake Tribe leadership and citizens, are pleased to recognize those Team Members who have been nominated and have achieved this quarterly award," said Sal Semola, CEO for Gun Lake Casino. "We thank them for a commitment to making Gun Lake Casino the very best each day."

As part of Top Gun recognition, winners typically receive the following benefits:

- \$500
- A reserved parking space
- A Top Gun pin and certificate
- Property wide recognition
