 - i. Playing at any slot machine or table game. Guests using this method must earn at least one Rewards Point on their GLC Rewards card during the activation time frames for entry activation to occur. After at least one Rewards Point has been earned on their GLC Rewards card, guests must then pull their GLC Rewards card out of the card reader on the slots, or have their active rating closed out on table games, during the activation time frame for entry activation to be completed.
 - ii. Swiping their GLC Rewards card at any Promotional Kiosk, logging into their account using their PIN, and selecting the current promotion.

C. METHODS OF WINNING:

1. Drawings will be held at the designated promotion area.
2. At each drawing, the winning GLC Rewards card number(s) and first name(s) of the winner(s) will be announced and displayed throughout the casino TV system.
3. The winner(s) will have five minutes to claim their prize at the designated promotion area. In the event that a prize is not claimed within five minutes, a redraw will occur until all winner(s) have claimed and been declared.
4. Management encourages guests who may need more than the allotted time to make their way to the designated promotion area, to be at, or around the designated promotion area during the drawings.
5. Guests are eligible to win once during each hourly drawing.
6. **Game Setup:**
 - a. Guests will spin each wheel of the Millionaire Maker Wheel in sequence, starting with the small (48") wheel, then the medium wheel (72"), and finally the large wheel (96"). The Millionaire Maker Wheel must be spun in a

manner that allows each wheel to rotate simultaneously and complete at least 2 full rotations before coming to a stop.

- b. Should the wheel fail to complete 2 full rotations, guests must re-spin.
- c. Guests will receive the total cash prize corresponding to the space where the prize wheel indicator lands.
- d. If the prize wheel indicator lands on the "G" space on the large wheel (96"), the "L" space on the medium wheel (72"), and the "C" space on the small wheel (48"), the guest will be awarded the \$1 million prize.
- e. In addition to landing on the required prize spaces, guests must meet the following conditions to qualify for the \$1 million prize:
 - i. The guest is neither a current nor former employee, family member, agent, successor, nor assignee of Gun Lake Casino or any promotional agency involved in this promotion.
 - ii. The guest has not had any practice, warm-up, or qualifying spins from the time of selection for participation in the promotion until the actual prize spin.
 - iii. The guest has not been selected to participate on more than one occasion.
- f. Failure to meet the qualifications listed above will disqualify the guest from receiving the \$1 million prize.
- g. Guests that have already been selected, and have spun the Millionaire Maker Wheel, are unable to spin the Millionaire Maker Wheel an additional time. If a guest is selected more than once, they will receive a \$10,000 cash consolation prize in lieu of spinning the Millionaire Maker Wheel, and a redraw will occur for a new winner.
- h. If the prize wheel indicator lands on the "G," "L," or "C" spaces, the guest will receive \$5,000 cash for each space. However, if the indicator lands on each of these spaces and the guest fulfills the qualification list for the million-dollar prize, the \$5,000 cash prizes for each space will be forfeited in favor of the \$1 million top prize.
- i. If the \$1 million top prize is awarded, it is required that GLC notify the insurance company on the subsequent business day, providing video evidence of the spin. Following this, a comprehensive review will be conducted, accompanied by telephone interviews involving four individuals, and relevant documentation will be supplied for completion. Upon the fulfillment of these steps, the disbursement of the check will be processed, with an estimated timeframe of 2-4 weeks.
