Gun Lake Casino Shows Support to Vaccinated Guests and Team Members

- **\$20 in Free Slot Play for fully vaccinated guests**
- **Guest offer valid April 5, 2021 – May 31, 2021**
- **Access to the vaccine for all team members**
- **\$5,000 in prizes for fully vaccinated team members**

(Wayland, Mich.) – Gun Lake Casino is showing support to those who have volunteered to receive the COVID-19 vaccine. The casino announced today that it will provide \$20 in Free Slot Play to guests and thousands of dollars in prizes to team members who have been fully vaccinated.

Beginning on April 5 through May 31, casino guests who have received the full recommended dose of the Moderna, Pfizer or Johnson & Johnson vaccine may receive a one-time gaming offer. To receive the \$20 Free Slot Play offer, guests must present a valid and complete COVID-19 vaccination card at one of the casino's rewards centers.

“At Gun Lake Casino, we truly care about the health and safety of our community, team members and guests,” commented Sal Semola, president and chief operating officer of Gun Lake Casino. “Receiving access to the COVID-19 vaccine brings a sense of hope for the better days we have all been wishing for. We would like to celebrate this significant milestone by thanking our guests and team members for doing their part to end the pandemic and protect our entire community.”

Access to the vaccine has been made available to all Gun Lake Casino team members and their extended family through the Gun Lake Tribal Health and Human Services department. Newly hired team members are eligible to sign up to receive the vaccine on their first day of employment. In support of the team members that have voluntarily completed the vaccination process, over five thousand dollars in prizes will be given through random drawings.

From the very beginning, Gun Lake Casino has adapted and changed policies to protect the health and safety of all team members and guests. Every decision made by leadership will continue to reflect the safety recommendations from Gun Lake Tribe's Health and Human Services (HHS) and the Allegan County Health Department.

In addition to the COVID-19 vaccine offer, Gun Lake Casino will continue to implement the *Play It Safe Initiative* as the COVID-19 pandemic continues. For more information about the *Play it Safe Initiative* or the COVID-19 vaccination offer at Gun Lake Casino, visit gunlakecasino.com.
