Phase 5 Construction Employment

The three-year construction timeframe to build the hotel, Mnoyé Spa, Wawyé Oasis, the all-new Sandhill Café, lobby area, and more could not have been achieved without the dedication of many valued skilled tradespeople. Over 1,160 construction workers contributed their expertise to this project, including plumbers, pipefitters, welders, ironworkers, electricians, heavy equipment operators, and general laborers.

We extend our gratitude to the Southwest Michigan Building Trades for their long-standing partnership, dating back to the original groundbreaking of Gun Lake Casino in 2009.
